“Local advertising in this publication definitely works - as a result of browsing your on-line version of the newspaper I have booked to see Feast of Fiddles at Ulverston’s Coronation Hall in April and will contact Livingstone’s solicitors for drawing up a Will - keep up the good work!”

“We use Grange Now for all our local advertising, we find we have a better response from Grange Now adverts than any other similar papers/magazines in the area, I also find them easy to do business with, having my artwork supplied through them makes it a doddle.”
